Appl. No. 09/847,216 Amendment and/or Response Reply to final Office action of 19 May 2004

REMARKS / DISCUSSION OF ISSUES

Claims 1-9 and 13-20 are pending in the application.

Claims 1-9 and 14-20 are allowed.

The final Office action rejects claim(s) 10-12 under 35 U.S.C. §102(e). Applicant(s) may respectfully disagree with the reason(s) for rejection given in the final action, but cancel(s) the rejected claim(s) without prejudice or disclaimer of their subject matter in order to facilitate issuance of a patent for the allowed claim(s). Applicant(s) reserve(s) the right to prosecute subject matter of the canceled claim(s) in a divisional or other continuing application.

The final Office action objects to claim(s) 13 as depending from a rejected base claim, but states that it would be allowable if rewritten in independent form, etc. This having been effected in this amendment, applicant(s) respectfully request(s) that the Examiner withdraw the objection to the pending claim(s) and find the application in condition for allowance. If any points remain in Issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted.
